

Camp Rokilio Open House

On Sunday, November 14th (the Packers' Bye Week), the Lakeshore District will be hosting the Camp Rokilio Open House for all Cub Scouts and their families from 1:00 - 5:00 p.m. This is your chance to bring any new scouts out to camp to get a taste of the outdoor adventures in Scouting. All participants will have the opportunity to complete the requirements for the BB gun and archery belt loops. A guided bog walk and tour of camp will also be offered.

The more scouts that can see firsthand what camp offers, the more scouts will be asking mom or dad if they can attend with their pack.

There is no fee to attend this event and no fixed schedule during the event with each station being first-come, first-served. Camp Rokilio staff will be there to help out at the programs and talk about what it's like to attend Cub Scout World Resident Camp. Hope to see you there!
