04/02/09	LIGHTWEIGHT STOVE BUILDING	

Roundtables are a great opportunity to gather and share Scouting ideas, get help in resolving problems, and just have some fun and fellowship. Each month's program is theme-centered and is intended to provide leaders with information that can be taken back and used at the troop level. All leaders are encouraged to attend. District leaders, like our District Executives and District Commissioner, as well as Unit

Commissioners are also in regular attendance.

Roundtables start promptly at 7:00 PM with a pre-opening and general announcements. The program is complete around 8:30 PM.

**Come join us!**
